Academic Employment

Assistant Professor of Journalism and Computer Science, Northeastern University, 2023–

- College of Arts, Media, and Design (CAMD) & Khoury College of Computer Sciences

Postdoctoral Fellow, Stanford University, 2022–2023

- Co-advised by Professor Jeff Hancock and Professor Michael Bernstein.
- Affiliated with Program on Democracy and the Internet (Stanford PDI), Stanford Social Media Lab, and Stanford Human-Computer Interaction Group.
- Funded by Stanford PDI (PI: Professor Nathaniel Persily) and Stanford Institute for Human-Centered Artificial Intelligence (Stanford HAI).

Research Associate, The University of Texas at Austin, 2020–now

- Human–AI Interaction Lab directed by Professor Min Kyung Lee.
- Center for Media Engagement (CME) directed by Professor Natalie Stroud.

Education

Ph.D. in Journalism and Media, The University of Texas at Austin, 2018–2022

M.A. in Communication, Peking University, 2016–2018

B.A. in Communication, Huazhong University of Science and Technology, 2012–2016

B.A. in English (Dual Degree), Wuhan University, 2012–2016

Research Interests

My research interests lie at the intersection of communication and human-computer interaction. My work has examined (a) the influence of emerging media technologies on people’s attitudes and

behaviors; (b) how to design human-centered AI and how to align AI with human values; (c) how to mitigate the spread of misinformation.

Publications

My work generally appears in mass communication journals and top-tier AI and HCI venues.

Awards and Honors

Harrington Dissertation Fellowship for 2021-2022, The University of Texas at Austin, 2021.

AAAI-21 Outstanding Paper Award: Special Track on AI for Social Impact, The Thirty–Fifth AAAI Conference on Artificial Intelligence (AAAI 2021), 2021. [[Press](#)]

University Graduate Continuing Fellowship for 2021-2022, The University of Texas at Austin, 2021.

The *Dallas Morning News* Graduate Fellowship for Journalism Innovation, School of Journalism, Moody College of Communication, The University of Texas at Austin, 2018.

The Maxwell McCombs Graduate Student Award for Research Publishing, Jesse H. Jones Centennial Chair in Communication Emeritus, Moody College of Communication, The University of Texas at Austin, 2022, 2020, 2022.

Will H. Mayes Scholarship, School of Journalism Graduate Scholarship Committee, Moody College of Communication, The University of Texas at Austin, 2020.

Professional Development Awards, The University of Texas at Austin, 2020.

Thomas Thompson Award in Journalism, School of Journalism Graduate Scholarship Committee, Moody College of Communication, The University of Texas at Austin, 2019.

Top Paper Award, The International Communication Association (ICA) International New Media Forum, 2017.

Teaching Experience

Courses

CS 7375 Seminar in Human-Computer Interaction: Computational Social Science,
Northeastern University

Instructor, Khoury College of Computer Sciences, Spring 2024

JRNL 3610 Digital Storytelling and Social Media, **Northeastern University**

Instructor, CAMD, Spring 2024, Fall 2023

Advanced Studies in Behavior and Social Media, Stanford University

Teaching team member, Department of Communication, Fall 2022

Digital Storytelling Basics, Teaching Assistant, The University of Texas at Austin

Lab instructor, teaching assistant, and guest lecturer, Spring 2020, Fall 2019, and Spring 2019

The U.S.–China Tango: Technology, Media, and Future, The University of Texas at Austin

Teaching Assistant, Fall 2020

Social Media Journalism, The University of Texas at Austin

Teaching Assistant, Summer 2019

Data, Privacy, and You, The University of Texas at Austin, Fall 2018

Lab instructor, teaching assistant, and guest lecturer, Fall 2018

Guest Lectures

- *Understanding and Designing AIs with Human Values*, for course CS5170 - Human-AI interaction, Khoury College of Computer Sciences, Northeastern University, April 1, 2024.
- *Confronting Mis- and Disinformation in the Digital Age*, for course Digital Storytelling and Social Media, Northeastern University, October 11, 2023, March 11, 2024.
- *Interventions in the age of hyper-partisan misinformation*, for course Advanced Social Media Research: Digital Media Interventions, Stanford University, October 17, 2022.
- *How AI is used in visual storytelling*, for course Visual Storytelling, Northeastern University, April 6, 2022.
- *Use CloudResearch/MTurk to conduct online experiments*, for course Quantitative Research Methods in Communication, North Dakota State University, February 16, 2022.
- *How to use CloudResearch/MTurk to conduct online experiments*, for course Introduction to Research Methods, The University of Texas at Austin, September 30, 2021.
- *How artificial intelligence and automation are impacting journalism*, for course Digital Storytelling Basics, The University of Texas at Austin, April 2, 2019, October 29, 2019, April 7, 2020, October 27, 2020, and April 1, 2021.
- *A new conversation: How artificial intelligence are impacting our life*, for course The U.S.–China Tango: Technology, Media, and Future, The University of Texas at Austin, October 21, 2020.

- *How automated journalism inspires selective exposure*, for course Media Effects and Politics, The University of Texas at Austin, April 28, 2020.
- *The Snowden leaks: A complex relationship with privacy*, for course Data, Privacy, and You, The University of Texas at Austin, November 20, 2018.

Students Mentored

* Students with co-authored publication or conference paper

PhD Students (research mentor, not advising)

Cid Halsey-Steve Decatur* (Stanford University, Communication), 2022-2023

Master Students

Alex Boltz* (University of Washington, Information), 2020-2023

Undergraduate Students

Jenny Mai* (Stanford University, Computer Science), 2023-now

Tori Qiu* (Stanford University, Symbolic Systems, now a PhD student at Carnegie Mellon University), 2022-now

Tammer Bagdasarian* (Stanford University, Communication), 2022-2023

Caitlin E Baird* (Stanford University, Communication), 2022-2023

Cameron M. Vaughan* (Stanford University, Communication), 2022-2023

David Mullings (University of Texas at Austin, Computer Science, now at J.P. Morgan), 2023-now

Anqing Chen* (University of Texas at Austin, Computer Engineering, now at Google), 2020-2022

Anusha Mittal (University of Texas at Austin, Econometrics and Quantitative Economics), 2023-2024

Invited Talks

- *Examine hyper-partisan (mis)information with human-centered AI*, Polarization and Social Change Lab, Stanford University, February 7, 2023.
- *The evolving role of AI in political news consumption: The effects of algorithmic vs. community label on perceived accuracy of hyper-partisan misinformation*, Cyber Policy Center Fall Seminar Series, Stanford University, November 1, 2022.

- *Examine algorithmic bias with human-centered approaches*, College of Arts, Media and Design, Northeastern University, April 6, 2022.
- *Algorithmic decisions and algorithmic bias in the era of Artificial Intelligence*, School of Journalism and Communication, Peking University, April 8, 2022.
- *Algorithmic bias: Does automated journalism reduce bias?* The Edward R. Murrow College of Communication, Washington State University, February 8, 2021.

Service

- Associate Chair, CSCW 2024 Program Committee, The 27th ACM Conference on Computer-Supported Cooperative Work and Social Computing (CSCW 2024), 2023-2024
- Co-chair, C+J 2024: The 2024 Computation + Journalism Symposium, 2024
- Reviewer for *Digital Journalism*, 2024
- Reviewer for *Scientific Reports*, 2023
- Reviewer for *Journal of Big Data*, 2023
- Reviewer for *New Media and Society*, 2023, 2022, 2021, 2020.
- Reviewer for *Human-Computer Interaction*, 2023
- Reviewer for *Asian Journal of Communication*, 2023.
- Reviewer for *Journalism Studies*, 2022.
- Reviewer for *ACM CHI Conference on Human Factors in Computing Systems (CHI 23)*, 2022.
- Reviewer for *Internet Research*, 2022.
- Reviewer for *Media and Communication*, 2022, 2020.
- Reviewer for *Communication Research and Practice*, 2020.
- Reviewer for *the Annual International Communication Association Conference (ICA)*, 2018, 2019, 2020, 2021, 2022, 2023.
- Student leader, Digital Media Research Program (DMRP), Moody College of Communication, The University of Texas at Austin, 2020–2021.
